E-Rate Request for Proposal

Form 470

Application Funding Year: July 1, 2012-June 30, 2013

INTRODUCTION

Objective:

Quality Education Schools (“Customer”) is seeking, as a communication tool for our school:

- Telecommunication Services
- Internet Access Services
- Internal Connections
- Basic Maintenance and Technical Support

The Customer herewith requests proposals for these services as described in the attached specifications from interested persons (“Vendor”). The Vendor must submit an RFP for any and/or all areas with respect to the services and support. Prices quoted shall be separate for the selected service as noted above and delineated between function/service/application, and quantity/capacity. The Customer reserves the right to reject any and all proposals, waive technicalities, and award all or part of the contract in a manner that is in the best interest of Quality Education Schools.

The term of the contract shall be for a period of one (1) year beginning July 1, 2012, and the contract may be cancelled with sixty days prior written notice.

All aspects of this project must comply with the Federal Communication Commission’s competitive RFP requirement for Universal Service Fund (USF) support and services.

Other information may be made available to interested persons by contacting the Customer’s Chief Student Services Officer.

“We raise the quality of life of everyone we touch.”
